### **Swim Team Program Fee Bank Draft Authorization Form**

A bank draft is a continuous program fee taken from a bank account or credit card drafted monthly during the duration of the team season. The Harrison County YMCA Board of Directors may, at its discretion, adjust the monthly rate for programs and membership. You will receive a notice at least four weeks prior to any such change. You also understand that if, for any reason, your bank refuses to honor a monthly draft, your participation in the swim team will be void immediately. Swim team may only be reinstated after payment of all fees. The payment will be taken out once a month.

I have read and understand the payment process for the Harrison County YMCA Swim Team. A copy of a check must accompany this form.
