Aquatics Department Donations Drive

What:

Welcome to the 2017/2018 YMCA Aquatics Department Donations Drive. We are excited to offer you an opportunity to be a donor and assist us with updating our community's only Indoor 25 yard 6 lane lap pool, which requires the community's ongoing support. See our donations list below to either donate towards a specific item monetarily or you can work with us to purchase and donate the item yourself. We thank you for your generous tax-exempt donation!
