BUILD A SKILL SAVE A LIFE

Lifeguard Certification Training

This course is designed to give participants the basic skills and knowledge needed to be lifeguards in pools and aquatic environments. This comprehensive course offers up-to-date information on how to guard; anticipate and prevent problems; and to take action to help those in need. CPR, First Aid, and AED certifications are included in the cost of the program. Participants must pass a swim test on the first day of class in order to remain registered.
